CSC 230-01 Modern Prog Applications Spring 2018
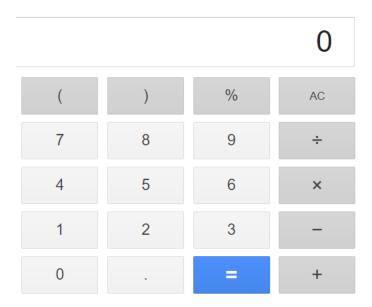

Assignment 8

What to hand in

Create a folder called "Assignment_8". **For the program, write the comments to generate documents. Save it to a doc directory in the program folder.**

Use packing software to pack "Assignment_8" to a packed file, such as "Assignment_8.zip" or "Assignment_8.tar". Submit the packed file through the blackboard.

Due Date

12:00 midnight, Apr. 30, 2018.

Program: Design a calculator as following, which should have all basic functionalities.

Grading Criteria

1. 40%, be able to be compiled without compile errors.

2. 30%, be able to run and generate the expected outputs.

3. 20%, documents.
